On March 31, 1989, Campbell County Kentucky Water District ("Campbell County") filed the above-styled application. The Commission is of the opinion that a significant portion of the proposed construction in this matter directly relates to the pending litigation in Case No. 89-014<sup>1</sup> and, therefore, should not be considered until after Case No. 89-014 is finally resolved.

WHEREFORE IT IS HEREBY ORDERED that this case shall be held in abeyance pending the final resolution of Case No. 89-014. The Commission will consider any request by Campbell County seeking approval to proceed with any construction that can be adequately and clearly identified as not relating to Case No. 89-014.
